

Title: Helping Kids Cope with COVID-19 Anxiety

Type:	Interstitial/Promo
Subject(s):	Coronavirus
Project Contact:	Name: Frances Hernandez Company: South Florida PBS Email: news@southfloridapbs.org
Original Broadcast/Publish Date:	01/08/2021
Runtime:	00:01:00
Main Asset File Size:	0.63 GB
Short Description:	Anxiety and depression cases among children have been increasing during the pandemic.
Long Description:	Children are suffering from anxiety and depression at much higher rates during the COVID crisis, studies show. All the screen time required for classes and socialization may be partly to blame. Parents and caregivers can help by making the most of non-screen time with their children.
